

GMRIT, Rajam is looking for a Principal

GMR Institute of Technology, Rajam, AP (www.gmr.it.org) situated about 100 kms from Vizag in a beautiful WiFi semi-residential campus, was established in 1997 by GMR Varalakshmi Foundation of the GMR Group. GMRIT offers aspiring engineers high quality technical education. Today, GMRIT counts among the top five engineering colleges in AP.

GMRIT offers a state-of-the-art learning facility, competent Faculty and a professional work environment. The Institute is governed by an eminent Board and managed by a team of senior professionals.

The ideal candidate will be around 45, and have a PhD in any engineering discipline from an institution of repute, preferably in EEE, ECE or IT. He/she should preferably have prior experience of managing an engineering college, with visions for a larger canvas. The college aspires to grow into a technical university in course of time. To help the candidate discharge his/her role effectively, the management shall provide all necessary support.

The salary and perks will be competitive and include a bungalow on campus.

Interested candidates may apply through GMRIT website by **April 15**, 2011.
